

Merne Mwerre video

Children's Ground grant

Bill Raby
Diabetes Fellowship
Funding success stories

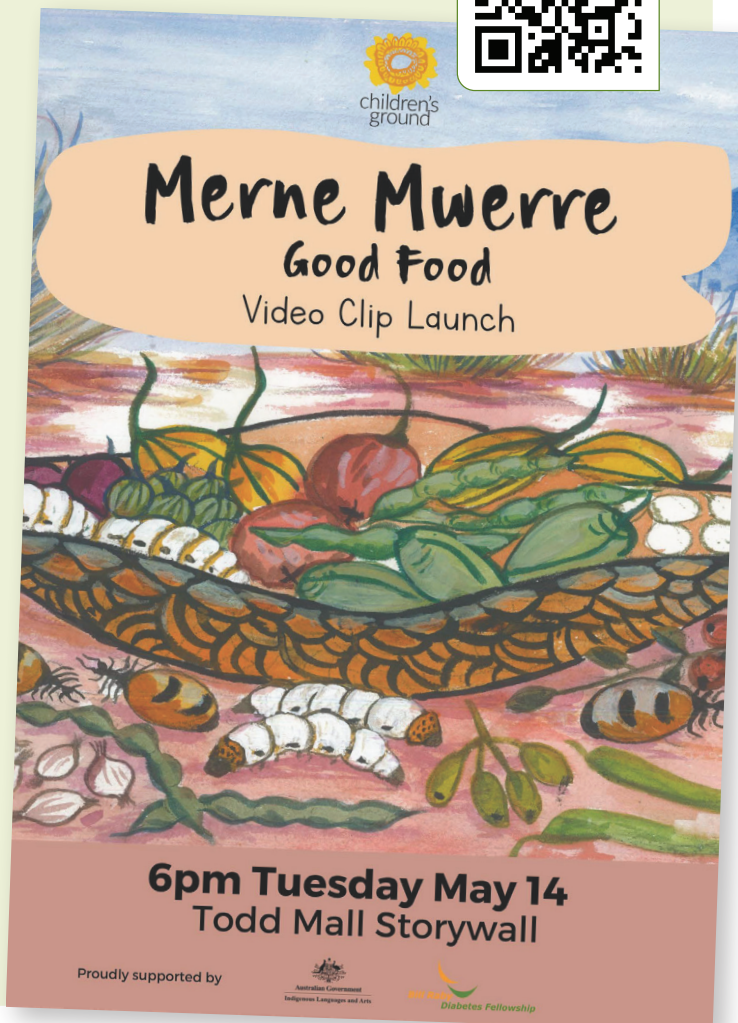

The latest Bill Raby Diabetes Fellowship grant supported **Children's Ground** in creating a captivating video clip, *Merne Mwerre*, highlighting the importance of good food and connection to country for a healthy body and spirit.

Featuring talented local First Nations members from Mparntwe (Alice Springs) like Edmond Doolan, Jarrel Williams, Monisha Martin Turner, and Carol Turner, Merne Mwerre showcases the power of bush tucker and cultural connection.

Thanks to collaboration with Lemon Tree Media and Productions, the Australian Government Indigenous Language and Arts Program, and ABC Kids, we're excited to continue promoting health and culture in our communities. Apply now and be a part of the journey!

Check out the
video clip here

The poster features a vibrant illustration of a woven basket filled with various bush tucker items like tomatoes, green beans, and onions, with more items scattered around it. The text on the poster includes the Children's Ground logo, the title 'Merne Mwerre Good Food Video Clip Launch', the event details '6pm Tuesday May 14 Todd Mall Storywall', and the sponsors 'Proudly supported by Australian Government Indigenous Languages and Arts and Bill Raby Diabetes Fellowship'.
